

Save Parkrose student transportation

When: 6 p.m. on Jan. 27 (prior to the school board meeting at 6:30).

Where: District Administration Office,
10636 NE Prescott St., Portland.

The Parkrose School Board will be making a decision at the Jan. 27 meeting that could lead to the district outsourcing student transportation. Come rally with the school bus drivers and others in the community who oppose losing local control over this vital service.
